

This year's challenge for Lupus Awareness Month will give members the chance to host a **lunch4lupus** during October, with your family and friends. The guests, instead of bringing a traditional party gift, will be invited to make a donation to LUPUS UK.

The host will receive invitations to send to their guests together with donation forms and some helpful hints on hosting a successful event.

If lunch isn't possible, members can host a coffee morning or go the 'full monty' and really impress their guests by hosting a dinner party. Ideally we would ask members to host their event during October but if that's not possible, pick a time convenient to you.

The key is to make it a fun event and quality time with your family and friends while supporting your charity. You can always add to fundraising by holding raffles, auctions or party games with fines. Whatever you feel is most appropriate.

You can request a **lunch4lupus** pack online at [www.lupusuk.org.uk](http://www.lupusuk.org.uk) or alternatively complete the form below and return it to National Office when we will send the invitations in the post to you.
