October 2016

Re: Support Group for Young People with Lupus.
Date: Sunday 20th November 2016
Time: 1.30pm – 4.30pm **(Slightly earlier than usual)**
Venue: 52 Club, 52 Gower Street Basement, London, WC1E 6EB

We would like to offer you the opportunity to attend our support group aimed at young people with lupus. The group is open to anybody between the ages of 16-26 even if you don't live in London and are happy to travel - the more the merrier.

The aim of this group is to give you the opportunity to meet with others in a similar situation to yourself. We hope it will allow you to freely discuss important issues, to share experiences and offer guidance and support to each other. Lupus in young people is not common so it's a great chance to meet each other and see that you are not alone.

The frequency of each meeting and the topics discussed will be decided by you the group so that it fully facilitates your needs and fits in with school/work and social timetables.

If you have any questions of would like to confirm attendance please contact me on **01708 731251** or email **paul@lupusuk.org.uk.** We really hope to see you there.

Yours sincerely,

Paul Howard
Social Media & Projects Officer
LUPUS UK
